

Dear students and teachers of St. Anthony's school Darjeeling,  
I would, on behalf of the people of the village of Wapsa in Nepal, express my gratitude for your effort and generosity and the act of kindness that you have shown during this time of despair.

The devastating earthquake in Nepal took tens of thousands of lives, destroying many villages like ours. This is the time when we needed all the support we could to help people come back to life.

Your act of kindness has touched our hearts and your financial support has helped a few families to have a shelter during the monsoon. They thank you from their heart and remember you in their prayers.

Our nation has fallen today, but nevertheless, we shall rise with support from beautiful people like you.

Thank you once again,  
May God bless St. Anthony's school family
